SERVICES RETAINER AGREEMENT

Owner/Administrator/Licensee of RCFE/ARF hereby requests Assisted Living Waiver ("ALW") application assistance from Angel City Senior LLC dba GetALW ("Contractor"). Contractor will assist in the preparation of the Assisted Living Waiver Provider (ALW) application and Medi-Cal provider enrollment. Contractor will provide Owner/Administrator/Licensee with all documents ready to be signed and submitted. This includes all necessary documents required for Provider Enrollment in the ALW program. Contractor will assist Owner/Administrator/Licensee with any additional requests by the State as well as preparation for in person LPA visit prior to enrollment.

Owner/Administrator/Licensee agrees to forward a nonrefundable retainer fee in the amount of \$3,000 for the Assisted Living Waiver Program application assistance to Contractor prior to any services to be provided.

Once payment is received, Contractor will provide a list of documents needed (most of which can be found in the facility's RCFE/ARF license application). Owner/Administrator/Licensee agrees to supply requested information and any additional information as needed to complete the application(s) process.

Owner/Administrator/Licensee is responsible for signing, paying the application fee, and submitting the final application packets. Owner/Administrator/Licensee is responsible for supplying any supplemental information that is needed to complete the application process.

Owner/Administrator/Licensee understands this agreement does not guarantee acceptance into the Assisted Living Waiver Program or acceptance as a Medi-Cal Provider as Contractor cannot and does not have the ability to make such a guarantee nor does it guarantee a timeframe for which Provider Enrollment will be approved.

This agreement contains the entire understanding between the two parties and supersedes all other written or oral communication. Owner/Administrator/Licensee understands failure to honor this agreement will result in immediate termination of services.

Nothing in this Agreement is intended nor will be construed to create a partnership relationship or an employer-employee relationship, a principle agent relationship or joint venture relationship between parties to have or to exercise control, direction or supervision over the professional judgment, manner, means or methods by which Contractor performs the services which are the subject matter of this Agreement.
